

Package Content

Thank you for purchasing PLANET 24-Port 10/100Mbps + 2-Gigabit Managed Switch, FGSW-2620VM. Terms of "Switch" means the Switch mentioned titled in the cover page of this Quick installation guide, i.e. FGSW-2620VM.

Upon open the box of the Switch and carefully unpack it. The box should contain the following items:

- The Switch x 1
- User's manual CD x 1
- This Quick Installation Guide x 1
- Power Cord x 1
- Rubber feet x 4
- Rack mount accessory x 1

If any item is found missing or damaged, please contact your local reseller for replacement.

Start Web Management

You can use Internet browser for further configuration on the Switch.

The following shows how to startup the Web Management of the Switch, please note the Switch is configured through an Ethernet connection, make sure the manager PC must be set on the same IP subnet address, for example, the default IP address of the Switch is 192.168.0.100 (the factory-default IP address), then the manager PC should be set at 192.168.0.x (where x is a number between 1 and 254, except 100), and the default subnet mask is 255.255.255.0.

Use Internet Explorer 6.0 or above Web browser, enter default IP address **http://192.168.0.100**

To access the Web interface. After entering the username and password (default user name and password is "admin"), the main screen appears as figure 1. The following main screen based on FGSW-2620VM.

Figure 1. Web Main Screen of FGSW-2620VM

For more detail configuration about the switches, please refer to the User's Manual.
